Enquiry No. 11217.

Subject:—Machinery required for Hydraulic Research Station at Krishnaraj Sagar.

Gentlemen,

No. S.P.C. 25341-60. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Machinery required for Hydraulic Research Station" with the above enquiry number.

This enquiry will be closed on the 23rd October 1952.
